Dear Parents/Guardians:

With current national attention being focused on children's health and wellness issues, Middletown Unified School District's Food Service Department is excited to provide parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. This service also provides parents the ability to view your child's account balance through a web site called Infinite Campus Parent Portal. This is a reliable and secure payment processing solution that allows you to submit food service and school-related fees 24/7 via the Portal. Payments can be made for one child or the entire household. By having money in each child's account prior to entering the cafeteria, we find the lunch lines move along much faster so your child has more time to eat and be with friends. Also, parents will have the ability to print out a copy of their child's eating history report. This history report will show you all dates and times that your child has purchased a breakfast and or lunch within the past thirty days. These new services are scheduled to be available on August 1st, 2015.

Visit: <https://middletownca.infinitecampus.org/campus/portal/middletown.jsp> to begin viewing your child's account.

In addition, Campus Food Service works with the Campus Mobile Portal app and is accessible at your fingertips. With the app, you can view meal account balances for one or multiple children. The app can be downloaded for free from iTunes, Google Play or Amazon, depending on your device.

Things to know

1. If you have more than one child in the District you can handle all online prepayments from the same online account.
2. Payments may be made through an existing a major credit or debit card.
3. In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is \$5.00 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$5.00 fee once per deposit transaction. Middletown Unified School District will not profit from the use of this site.

We are very excited to offer these services in direct alignment with the District's Strategic Plan/Safe and Healthy Environments priority, and are confident this new system will benefit you, your child and our District. If you choose not to take advantage of the online prepayment service you may continue to make advance payments via check or cash. Checks should be made payable to MUSD Food Service. Please write your child's full name on the check.

If you have any questions about these new services, please feel free to contact me at 707-987-1489.

Best Regards,
Heather High-Young
